Global Strategy and Corporate Culture

The relationship between corporate culture and strategy is a crucial aspect of successful business strategy. A strategy that is at odds with a company's culture is doomed. Culture trumps strategy every time – culture eats strategy for breakfast. Corporate culture is an incredibly powerful factor in a company's long-term success. No matter how good a strategy is, when it comes down to it, people always make the difference. It can be intimidating and frustrating, but it is absolutely necessary for success.
